**The Germantown Telegraph.**  
A Country Family Newspaper,  
Neutral in Politics and Religion.

This paper has been published by the undersigned for nearly twenty years, at the old stand in Germantown, Philadelphia county, within five miles of the City, and now enjoys a degree of popularity unequalled, perhaps, by any other weekly newspaper in Pennsylvania.  
The Telegraph is, strictly speaking, a Family Newspaper, devoted to the interest and entertainment of Families and Country readers in general. It avoids Politics and Religion of a partisan and sectarian character, but assumes to speak its sentiments fully upon all subjects wherein the welfare of its readers and the community is involved.  
In all the features which should mark a newspaper designed for General Reading, and especially as a Fireside Companion and Friend, the GERMTOWN TELEGRAPH stands unsurpassed. The Foreign Intelligence and Domestic news of the day; the full details of the present war; original articles on valuable subjects; poetry, tales, travels, voyages, history; weekly reports of the produce and money markets; political news, &c., constitute important features in this paper; while the agricultural department, a new and valuable feature, first introduced by the Editor of this paper, is of itself worth the whole price of subscription.  
The undersigned requests the People of the county of Somerset who may wish to take a newspaper out of their own county, in addition to their own paper which should always be taken first—to try the Germantown Telegraph, which will be found to be, in all respects, equal if not superior to any of the City Weekly Papers. The price of subscription, too, is no low, as to place it within the reach of every one, however limited his means, to take the paper for at least one year; he will then be capable of judging of its merits.

**TERMS.**  
Taking into view the real value of the paper, the following terms are lower than ever offered by any other large paper.  
For 1 copy 1 year, \$1.50 cash  
For 4 copies in one club, 1 y. 5.00  
For 8 copies in one club, 1 y. 10.00  
For 12 copies in one club, 1 y. 15.00  
In all cases the money must accompany the order. For every club of 12 subscribers which may be sent, the publisher will award a premium of some valuable book, filled with interesting plates.  
PHILIP R. FREAS,  
Oct. 6, 1847. Editor & Publisher.

**NO CURE—NO PAY!—A CERTAIN DISEASE CURED IN TWO DAYS.**—The most speedy remedy for pains in the loins, recent and chronic affections of the kidneys, disease of the bladder, gravel, seminal weakness, &c. Persons who, by indulging in a secret habit, have entailed on themselves constitutional debility, should apply immediately to DR. KINKELIN, of the Philadelphia Medical House, the oldest institution of the kind in the city. Office, N. W. corner of Third and Union streets, between Spruce and Pine, 13 squares from the Exchange.  
This medical house was established by Dr. K. thirteen years ago, for the suppression of quackery, there being so many persons, without knowledge, name or character, who put advertisements in the public papers, that an institution of this kind was highly necessary, to prevent the afflicted, especially strangers, from falling into the hands of some unskillful wretch, who, instead of curing, might send his victim to an untimely grave. Therefore, the afflicted should shun the numerous pretended physicians who know nothing of the practice of medicine, but consult Dr. Kinkelin, who cures.  
**A CERTAIN DISEASE**  
in two or three days, according to the state of the patient, without the use of mercury. No mercurial remedies are used by Dr. Kinkelin; his medicines are palatable and harmless, and all patients are honorably shielded from even the possibility of being discovered. He who places himself under the care of Dr. K. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician, and if he is not speedily relieved, no remuneration will be demanded.  
Strictures, one of the most troublesome and dangerous affections, which often end in gravel, inflammation, weakness, &c. Dr. Kinkelin guarantees to remove speedily; as also, swellings, diseased prostate gland, &c. Strictures have ruined many who had no knowledge of their existence. **TAKE PARTICULAR NOTICE.**  
Young men who have injured themselves by a certain practice indulged in—a habit frequently learned from evil companions, or at school—the effects of which are nightly felt, even when asleep, and destroy both mind and body, should apply immediately. Weakness and constitutional debility immediately cured and full vigor restored. All letters post paid.  
Take Notice—Dr. Kinkelin has had greater practice in the above affections than any physician in the United States. He also possesses an advantage over all others, from the fact of his having studied in the great hospitals of Europe. Thousands in Philadelphia can testify that he cured them after every other means had failed. Separate rooms for private consultation. Open till 9 P. M.

**NO CURE—NO PAY!—A CERTAIN DISEASE CURED IN TWO DAYS.**—The most speedy remedy for pains in the loins, recent and chronic affections of the kidneys, disease of the bladder, gravel, seminal weakness, &c. Persons who, by indulging in a secret habit, have entailed on themselves constitutional debility, should apply immediately to DR. KINKELIN, of the Philadelphia Medical House, the oldest institution of the kind in the city. Office, N. W. corner of Third and Union streets, between Spruce and Pine, 13 squares from the Exchange.  
This medical house was established by Dr. K. thirteen years ago, for the suppression of quackery, there being so many persons, without knowledge, name or character, who put advertisements in the public papers, that an institution of this kind was highly necessary, to prevent the afflicted, especially strangers, from falling into the hands of some unskillful wretch, who, instead of curing, might send his victim to an untimely grave. Therefore, the afflicted should shun the numerous pretended physicians who know nothing of the practice of medicine, but consult Dr. Kinkelin, who cures.  
**A CERTAIN DISEASE**  
in two or three days, according to the state of the patient, without the use of mercury. No mercurial remedies are used by Dr. Kinkelin; his medicines are palatable and harmless, and all patients are honorably shielded from even the possibility of being discovered. He who places himself under the care of Dr. K. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician, and if he is not speedily relieved, no remuneration will be demanded.  
Strictures, one of the most troublesome and dangerous affections, which often end in gravel, inflammation, weakness, &c. Dr. Kinkelin guarantees to remove speedily; as also, swellings, diseased prostate gland, &c. Strictures have ruined many who had no knowledge of their existence. **TAKE PARTICULAR NOTICE.**  
Young men who have injured themselves by a certain practice indulged in—a habit frequently learned from evil companions, or at school—the effects of which are nightly felt, even when asleep, and destroy both mind and body, should apply immediately. Weakness and constitutional debility immediately cured and full vigor restored. All letters post paid.  
Take Notice—Dr. Kinkelin has had greater practice in the above affections than any physician in the United States. He also possesses an advantage over all others, from the fact of his having studied in the great hospitals of Europe. Thousands in Philadelphia can testify that he cured them after every other means had failed. Separate rooms for private consultation. Open till 9 P. M.
